

EASY TO GROW & EASY TO FIND NATIVE POLLINATOR PLANTS OF THE SOUTHEAST

Bloom Period	Common Name	Scientific Name	Flower Color	Max Height	Notes
	Perennials				
Early	Golden Alexander	<i>Zizia aurea</i>	yellow	3	Black Swallowtail butterfly host plant
	Eastern Columbine	<i>Aquilegia canadensis</i>	red-yellow	3	
Early-Mid	White Beardtongue	<i>Penstemon digitalis</i>	white	3	Other native penstemons as well
	Lanceleaf Coreopsis	<i>Coreopsis lanceolata</i>	yellow	3	Drought tolerant
	Butterfly Milkweed	<i>Asclepias tuberosa</i>	orange	3	Monarch butterfly host plant
Mid	Coneflowers	<i>Echinacea spp</i>	pink-purple	3	Purple, Pale, Tennessee coneflowers
	Black-eyed Susan	<i>Rudbeckia spp</i>	yellow-orange	3	Many native species of different forms and sizes
	Wild Bergamot	<i>Monarda fistulosa</i>	lavender-purple	4	Other native beebalms as well
	Joe Pyeweed	<i>Eutrochium spp</i>	pink-purple	8	Many native species of different forms and sizes
	Anise Hyssop	<i>Agastache foeniculum</i>	lavender-white	3	
Mid-Late	Sunflowers	<i>Helianthus spp</i>	yellow	8	Many native species of different forms and sizes
	Narrowleaf Mountain Mint	<i>Pycnanthemum tenuifolium</i>	white	3	Not as aggressive spreader as other mints
	Ironweed	<i>Vernonia altissima</i>	magenta	8	
	New England Aster	<i>Symphyotrichum novae-angliae</i>	blue	4	
	Goldenrods	<i>Solidago spp.</i>	yellow	8	Many native species of different forms and sizes
Late	Aromatic Aster	<i>Symphyotrichum oblongifolium</i>	blue	3	
	Frostweed	<i>Verbesina virginica</i>	white	6	
	Shrubs, Vines and Trees				
Early	Eastern Redbud	<i>Cercis canadensis</i>	pink	3	
	Coral Honeysuckle	<i>Lonicera sempervirens</i>	red	vine	Long-blooming
Early-Mid	Blueberry	<i>Vaccinium corymbosum</i>	white	12	
	New Jersey Tea	<i>Ceanothus americanus</i>	white	3	
	Pasture rose	<i>Rosa carolina</i>	pink	3	
Mid-Late	Buttonbush	<i>Cephalanthus occidentalis</i>	white	12	
	Passionflower vine/Maypop	<i>Passiflora incarnata</i>	purple	vine	Gulf fritillary butterfly host plant
